The best songs of the 70s and 80s

Picture: SolStock/E+/Getty Images You might sound like a showstopping performer when you belt out your favorite love songs while driving, but we wonder how you do it when you take the music. If you can finish the lyrics to all the songs from the '70s and '80s, we're going to be really impressed. Not only will we show off our musical knowledge, but we will also warm our hearts to seeing the way we've absorbed love over the decades. With monster hits like Berlin's Take My Breath Away and The Jackson 5 I'll Be There, both decades were full of chart-topping earworms that I still love today. There's no shortage of modern love songs, but this quiz will test your love of classics. All you have to do is fill in the lyrical blank with one of the answers you've offered. If you find yourself overwhelmed by the number of love songs written back then, we advise you to sing the song for yourself. If that doesn't work, we gave you a tip to help you. Will you be able to finish as many of the lyrics as you can? Step up to the microphone and show me what you can do. Certain songs bring us back in time to important events of our past in a way that almost nothing else can. And it's not the memories, but the feelings itself, are almost like ingesting a piece of history as the melody plays. It's an amazing force to see some songs. Although pretty much every song can do it, anytime and anywhere, you have to admit that there's something exciting and unique about 80s songs. Even if you didn't grow up in the 80s, if you have an appreciation for the music and music story, then you know how much the '80s influenced and poured the music that came after it. The music of the '80s is as strong as it is, it has to be that song that means more to you than any other song. A song that stands out from the song for you.
